

Dispenser Holders

Product #417-AN / 417-BN

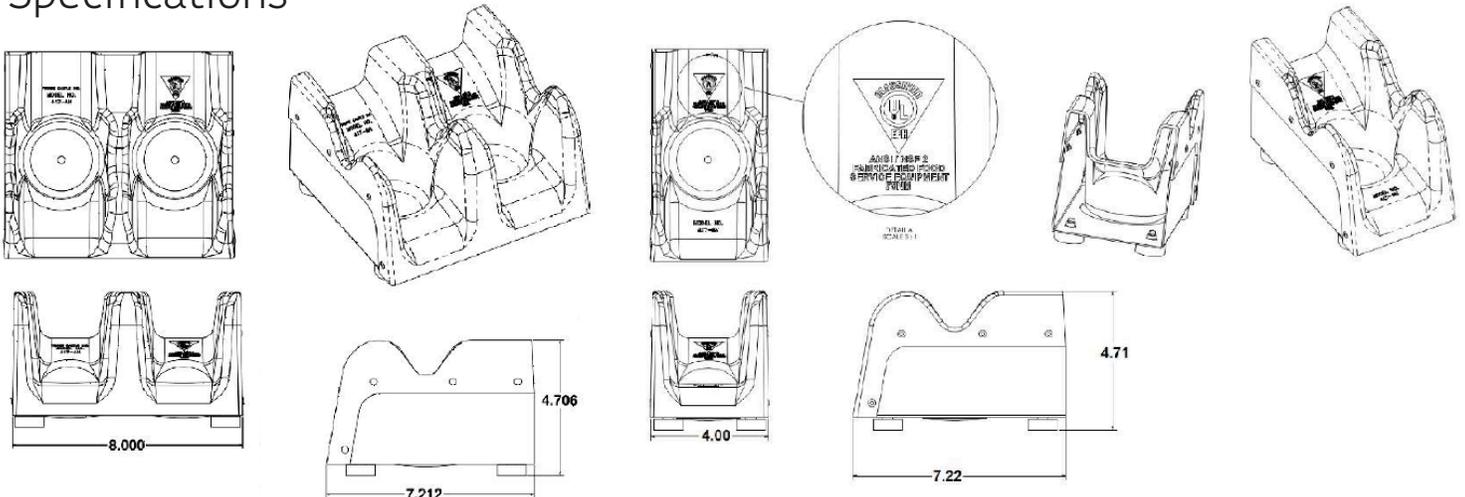

Product Features

- Prevents clogging because dispensers are encapsulated in the holder and protected from any air flow
- Especially important when dispensers are not used for long periods of time, such as:
 - If crew fills mustard too early in the morning before breakfast
 - When Side Two is closed between lunch and dinner
- Easy to clean – simply wipe down during operation and can put in dishwasher at night
- Localizes mess by containing in one area
- Non-slip rubber feet keep dispenser from slipping on prep table
