

# Pie Merchandiser

Product # 524

Keep boxed foods fresh! The Prince Castle Pie Merchandiser holds cooked pies or other boxed food products at proper serving temperature. This large capacity unit holds 42 items in three rows. A simplified rotation helps keep food fresh by making sure the first product placed in the merchandiser is the first served. Large, point of purchase display alerts customers to dessert items and helps to increase check averages.

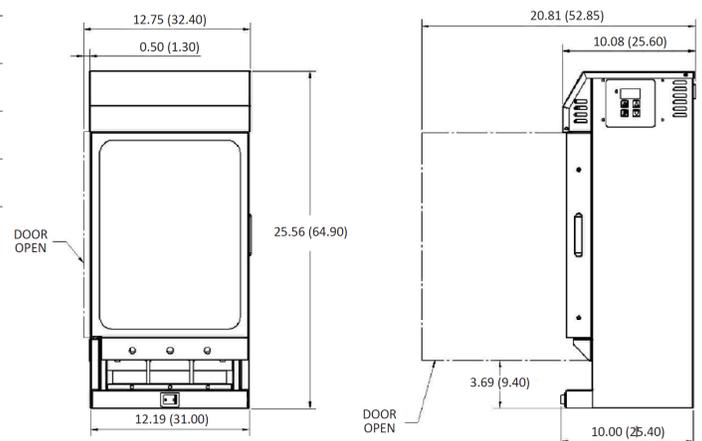

## Product Features

- Holds 42 baked pies or 36 fried pies in three rows at serving temperature.
- Not just for pies – great for keeping calzones, egg rolls or other trendy products ready to serve.
- Fits into small areas, freeing up counterspace.
- MCDCE and MCDCCCE models feature large, illuminated display area to attract customers.
- MCDUS and MCDJ models have a stainless steel door to quickly change product promotions.
- Simplified, first-in/first-out rotation guarantees fresh product.
- No moving parts.
- Stainless steel construction.
- Two-year warranty.
